FROM THE HEAD'S DESK

"Every little mind is a seed, and at MPS Sanskriti, we nurture them with the sunlight of knowledge, the water of love, and the soil of values to help them blossom beautifully."

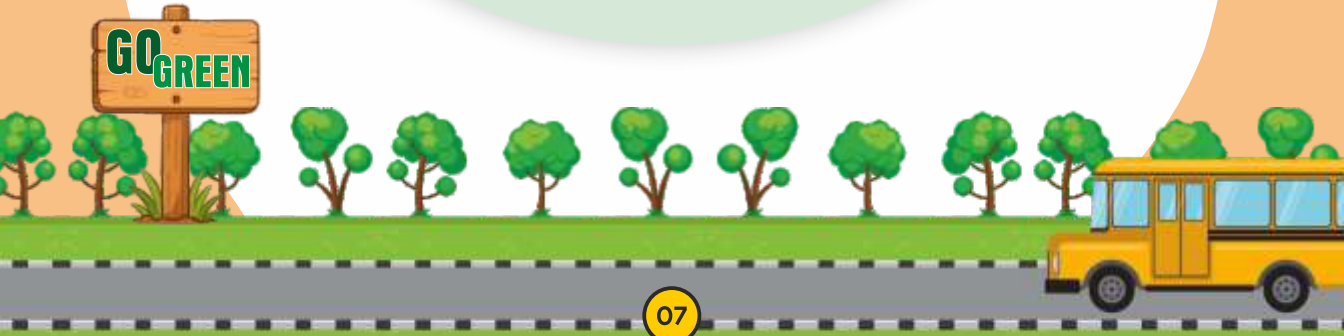

Dear Parents,

Our commitment to nurturing the overall growth of our students remains unwavering, and it is heartening to witness their transformation into confident, compassionate individuals.

From instilling the values of humanity in our preschoolers to fostering academic excellence and leadership skills, we are continuously working towards shaping responsible citizens of tomorrow. The progress and confidence we see in our students are a testament to our collective efforts—our dedicated educators, supportive parents, and, most importantly, our eager learners.

Together, we will continue to make a difference, building a better nation by bringing positive change to society—one student at a time.

Warm regards,

A WORD TO PARENTS

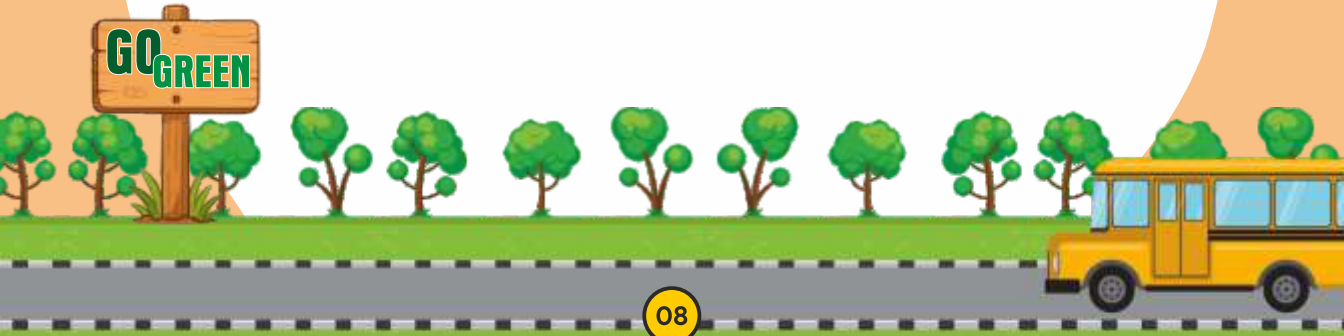

The way we talk to our children becomes their inner voice.

– Peggy O'Mara

The foundation of a child's character, confidence, and curiosity is built during the early years. Home is the first school, and parents are the first teachers who nurture values, habits, and a love for learning. A balanced environment of care, encouragement, and gentle discipline helps every child blossom to their fullest potential.

Together, parents and teachers form a powerful partnership to guide children towards becoming compassionate, confident, and responsible individuals — ready to face the world with courage and kindness.

GUIDELINES FOR PARENTS

Dear Parents,

Kindly note the following points which will help in smooth running of the daily routine of your child at school.

Child's Birthday Celebration

Birthdays are important for a preschooler. Celebrations at school need to be quite simple. In the spirit of recognizing each child's special day and giving him/her an opportunity to share the event with the school friends, we request you to follow these guidelines, which focus on the child and not on gifts.

Birthday celebration during school hours :

- No gifts/snacks will be allowed to be send to staff members.
- Due to our school policy, we do not allow cutting of cake in the school.

Food allergies and other food-related restrictions require careful selection of appropriate items. Birthday invitations for parties outside the school are solely the responsibility of the family. Invitations will not be distributed at school. Please don't send such invitations to school as well.

Teachers will provide a birthday card in order to make the birthday child feel extra special. The teacher will do her best to make it a special birthday for your ward.

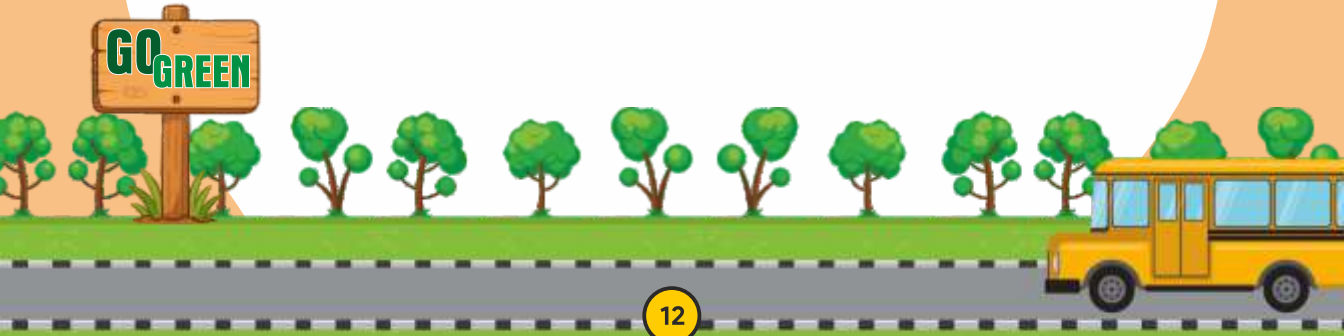

Illness – When Do I Keep My Child at Home?

When a child is ill, parents are not often sure whether it is appropriate to keep a child home or send him/her to school. Common sense and sensitivity towards the child will provide the best basis for your decision. To further assist you in making the decision, we suggest the following guidelines:

Do not send your child to school if:

- Fever is more than 100.5°F. He/she vomits.
- Symptoms of stiff neck/headache are observed.
- There is an eye infection (Pink eye, tears, redness of eye or swelling and discharge occurs). Fever accompanied with skin rashes.
- Symptoms of Jaundice are visible.
- Persistent symptoms of Diarrhea are visible.
- Symptoms of Excessive coughing or runny nose are visible.

If a child has any of the above symptoms, he/she should not come to school. If a child has a fever of 100.5°F or above, wait until he/she fully recovers, as lingering congestion, cough and tiredness may be serious enough to prevent your child from engaging in learning activities. If you are not sure whether your child should come to school or not, please call the front desk for advice.

Contagious Conditions

If your child has a contagious condition (strep throat, pink eye, chicken pox, lice, etc.) please contact the front desk immediately so that we can send a note to home of every child in the classroom. With any of the above contagious conditions, your child will not be allowed to attend the school until he/she demonstrates no contagious symptoms and has been contagion free for at least a minimum of 24 hours.

If Your Child Becomes Sick at School

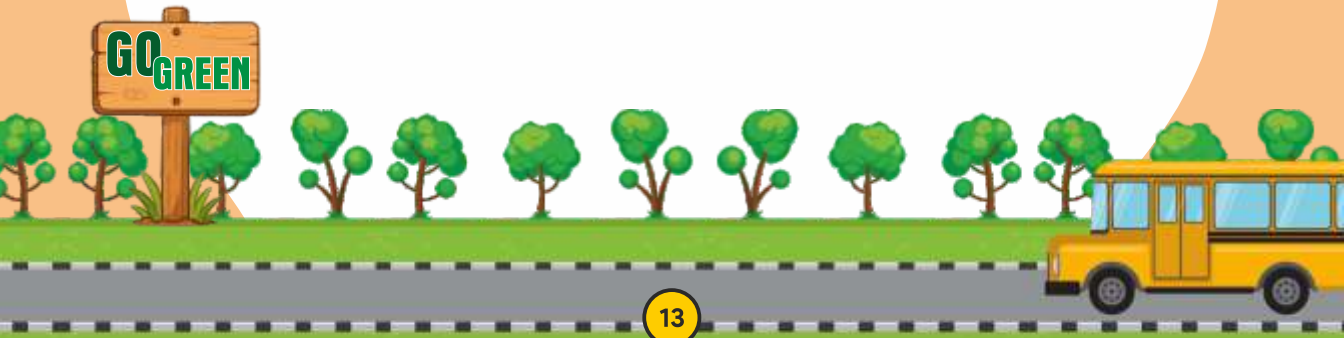

If the staff observes that your child is either not feeling well or feeling homesick you will be notified. We are trained professionals, therefore staff will use discretion regarding medical concerns. You may be notified to come and pick him/her up immediately if your child displays any of the following symptoms: vomiting, diarrhoea, high temperature, unexplained rashes, pink eye/conjunctivitis or lice infestation. Kindly mention your updated phone number on your child's enrollment form.

Attendance & Leave Rules

1. If it is possible, the front desk and teachers will always appreciate a phone call or email to let us know in case your child is on leave. This eliminates the teacher's wondering whether your child is attending that day or not. You can also email us @

2. A minimum level of attendance is expected for participation in school activities.
3. For planned leave, a leave application should be submitted in advance and approved by the class teacher.
4. In case of illness, a medical certificate may be required for absence of more than three days.
5. Half-day leave is discouraged except in unavoidable situations/strictly not allowed.
6. No child is permitted to leave the school premises during school hours without prior written permission from the parents and approval of the Principal/Class Teacher.
7. Attendance on special days, celebrations and functions is compulsory.

Toileting (only for Level 1)

It is perfectly alright if a child is not toilet trained. Generally, children in diapers or pull-ups can go without being changed for the duration of a class. If a child has a bowel movement, for the comfort of everyone, we will change them. If they are still in diapers, please provide an extra diaper or pull-up and wipes in your child's backpack. We do not supply diapers or wipes. We are happy to help as much as we can with toilet training. Once your child has transitioned to underwear, we would like you to provide extra clothing in your child's backpack in case of any mishap.

Photographs

Your privacy is very important to us. We will periodically take pictures of the children during classroom activities and field trips so that the parents can see various activities that are conducted at school and during class time. These photos are only available on school's official WhatsApp, Facebook, and Instagram page. If you have any objection regarding the same, please convey it to the front desk.

Home Assignments

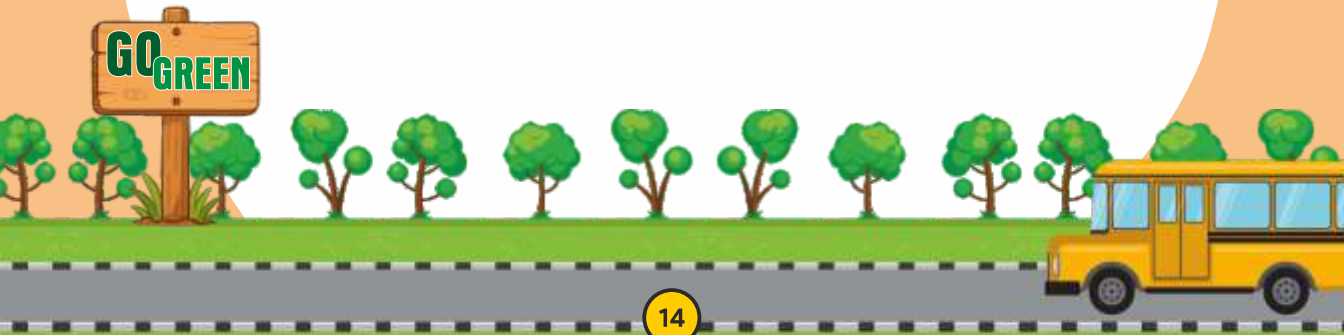

We will send homework for you to be completed by your child. Each task aims to make learning fun and practical— something your child can do with curiosity and joy. Please take out time and involve your child in work but don't do the homework for him/her. Children always learn more by doing the activity and by spending quality time with parents.

Lunch Time

- Kindly send only fresh, home-cooked vegetarian food.
- Avoid junk food, fried items, chocolates, or aerated drinks.
- Please pack food in easy-to-eat portions suitable for small children.
- Send a clean napkin, apron, spoon, and water bottle daily.
- Encourage healthy eating habits and variety.
- Keep foods simple, nutritious, and lightly spiced.
- Include one fruit every day.
- Label all containers clearly with your child's name.
- Encourage your child to eat independently.

Assessment

We will assess the students of all levels throughout the year. Assessment cards with details of his/her class activities will be provided at the end of year.

मनका विश्वास कमज़ोर हो ना
हम चलें नेक रस्ते पे हमसे
भूलकर भी कोई भूल हो ना...

दूर अज्ञान के हो अन्धेरे
तू हमें ज्ञान की रोशनी दे
हर बुराई से बचके रहें हम
जितनी भी दे, भली ज़िन्दगी दे
बैर हो ना किसीका किसीसे
भावना मन में बदले की हो ना...
हम चलें...

हम न सोचें हमें क्या मिला है
हम ये सोचें किया क्या है अर्पण
फूल खुशियों के बाँटे सभी को
सबका जीवन ही बन जाए मधुबन
अपनी करुणा का जल तू बहा दे
करदे पावन हर इक मन का कोना...
हम चलें...

PLEDGE

India is my country,
All Indians are
my brothers and sisters,
I love my country and
I am proud of its rich and varied heritage,
I shall always strive to be worthy of it,
I shall give respect to my parents,
teachers and all elders
and treat everyone with courtesy,
To my country and my people,
I pledge my devotion
In their well-being and
prosperity alone lies my happiness.
